

Article 25.
(Entry of minors)

(1) An alien to the age of 14 with a personal travel document may cross the border of Bosnia and Herzegovina accompanied by one or both parents, a legal representative or guardian, or when accompanied by a person authorized to accompany him/her with a signed and authorized power of attorney from the parents, legal representative or guardian. A minor travelling unaccompanied must carry an authorized consent from the parents, legal representative or guardian.

(2) A consent or power of attorney shall contain: personal data on the minor and legal representative or guardian, personal data on the accompanying person if travelling accompanied, the purpose and duration of stay in BiH, the time period the consent or power of attorney is valid for and the provider's signature. This document must be written in one of the official languages in BiH or in English, accompanied by a translation into one of the official languages in Bosnia and Herzegovina and certified by a certified court interpreter.

(3) A minor is considered to have consent of the legal representative if he/she:

- a) travels by air and has a letter of transmittal for minors issued by the aircraft operator,
- b) is part of a school excursion, and is listed as excursion participant authorized by the competent school institution,
- c) participates in a sport, cultural or similar event and is listed as participant.

(4) In the case a minor to the age of 14 is not accompanied by one or both parents, legal representative or guardian and does not fulfil some of the above-mentioned conditions from this Article, the minor shall be returned and handed over to the border police of the state from which he/she attempted to enter BiH.
